Internet Systems Consortium DHCP Client 4.1.0p1
Copyright 2004-2009 Internet Systems Consortium.
All rights reserved.
For info, please visit http://www.isc.org/sw/dhcp/
Usage: dhclient [-4|-6] [-SNTPI dvr] [-nw] [-p <port>] [-s server]
        [-cf config-file] [-lf lease-file] [-pf pid-file] [-e VAR=val]
        [-sf script-file] [interface]
```

If you did not get this software from <ftp.isc.org>, please
get the latest from <ftp.isc.org> and install that before
requesting help.

If you did get this software from <ftp.isc.org> and have not
yet read the README, please read it before requesting help.
If you intend to request help from the dhcp-server@isc.org
mailing list, please read the section on the README about
submitting bug reports and requests for help.

Please do not under any circumstances send requests for
help directly to the authors of this software - please
send them to the appropriate mailing list as described in
the README file.

exiting.
